

## Hack Number 12

Have you heard the Mantra: *Proper playing prevents poor performance*"?

Well it's so true when you're selling a home.

This is a really strong commemorative between your family, your kids, your husband, your wife, or whoever it is to get the right result for you.

Such a team effort!

Then whichever service you choose, obviously a part of your team whether it's us or a real estate agency.

So proper planning prevents poor performance.

Go back and have a look at all my Hacks,

Contact us and get our Golden Rules to Selling in 2021 so you can really make an informed decision about how to sell your home.
