

4 Mitchell Drive Leopold is an all year entertainer, a family retreat, and a tradies and gardeners delight. With extensive shedding, a large veggie patch and a home office or space for the gym. There is a separate kid's retreat/ theatre room to compliment the five bedrooms home as well as a family study area. The bedrooms feature built-in desks and robes, with new eco-weave carpet, there is nought to be done but move in and enjoy. This is a perfect home for your family and its future. It is fully renovated with only the highest of standards and practicalities in mind. This architecturally designed home sits on a huge 1860 square metre block providing a space for the family away from it all, a place to unwind and be together. The Alfresco undercover entertainment area and the eight-person timber decked recovery spa and AIS endorsed heated training pool gives this home the entertainers label. Winters can be enjoyed sitting around the open fire in the main living area. Features include built-in solid timber shelves, cathedral ceilings and eno...
