

Showcasing an innovative floorplan to compliment contemporary living, this 4-bedroom, 2-bathroom family home is situated in a peaceful neighbourhood. On entering, the home reveals a flawlessly maintained living space, perfectly suited for the discerning homeowner. Interior Features: Parents' Wing: This thoughtfully designed parents' wing serves as a serene sanctuary within the home. It includes a spacious retreat lounge, providing a private and tranquil space meticulously separated from the bustling family areas. This wing is tailored to parents seeking a peaceful escape from daily activities, offering an intimate space for relaxation and rejuvenation. Children's Wing: The children's wing features three spacious bedrooms, two of which have walk-in closets. These bedrooms are situated in a separate wing off the family room. Additionally, a fourth bedroom boasts extensive wardrobe space, ensuring ample storage for all needs. Well-Appointed Kitchen and Large Walk-In Pantry: At the heart of the home is a well-appointed kitchen, equipped with quali...
